## **This Is Your Invitation!**

**You are cordially invited to participate in the 3<sup>rd</sup> Annual *HOME Group* Homeschool Graduation Exercise & Commencement Ceremony to be held at 3:30pm on June 3, 2018 in the Worship Center at Faith Lutheran Church.**

High School Graduation is a memorable experience for graduates, their families, and friends. It is a time to celebrate all that God has done in young adults' lives and anticipate the exciting future He has in store for them! If you have a high school student that will be graduating at the conclusion of the 2017-2018 academic year, and would like to know more about HOME Group's Graduation Exercise and Commencement Ceremony, please review the detailed information and contact us with any questions you may have. We look forward to serving you during this exciting time for you and your graduate.

The key to an outstanding and memorable event is to, first and foremost, cover it with prayer! Please begin to pray for this event and everyone involved. The remaining key elements to a successful event are detailed planning, and parental and student involvement.

The graduation ceremony itself is very meaningful and often emotional (bring a box of tissues!). Students participate from the very beginning of the ceremonies to the conclusion, and parents actually confer the high school diplomas personally to their student(s). The years of teaching and training come to an appropriate graduation (finish) and commencement (beginning) in a way unlike anything you've experienced previously! The ceremony will include a commencement speaker providing a message of encouragement and inspiration to the graduates and all who attend. Special music will also be provided.

After the graduation ceremony, a reception for all the graduates, their families and their friends is provided. Refreshments will be provided and served by HOME Group Juniors' Families and everyone enjoys the festivities and excitement surrounding this event.

**On Friday, November 17 at 4pm in Room 9 at FLC there is a Mandatory Pre-Graduation Meeting for all those participating in the HOME Group's 2018 Graduation Exercise and Commencement Ceremony.** All details of this event will be thoroughly discussed and prospective graduates may sign up to participate at this meeting.

Also during this meeting, parents and students will share and discuss activity plans for the seniors. Please note that graduating student activities are a STUDENT & PARENT-LED responsibility. HOME Group has no responsibility for planning or accomplishing student activities. HOME Group's function is to simply act as a facilitator, as needed. Student activities can be barbeques, swimming parties, sporting activities, cookouts, nights at the movies, and more! All of these activities provide opportunity for participating seniors to get to know one another and enjoy graduating with friends, not strangers. HOME Group encourages this type of fun fellowship.

**Please do not contact the church with any questions or concerns. All questions should be directed to HOME GROUP to Laurie Guidry by email [lguidry@faithtroy.org](mailto:lguidry@faithtroy.org) or by calling Laurie at the HOME GROUP office at (248) 689-4664 x221.**
