West Virginia Mission April 1 - 6, 2017

We partner with Pastor Lohmeyer and Christ Our Savior of the Valley Church where we repair homes in and around the city of Alderson. Students go out into the community and build new roofs, handicap ramps, porches and bring the love of Jesus to people in need. This is an incredible opportunity for hs students to experience the mission field and learn to serve others.

Cost \$275 includes transportation, lodging, all meals while in WV and building supplies.

Ensenada Mexico Mission June 24 - July 1, 2017

Our hope is to bring the love of Jesus to a world in need of a savior and for our students to develop a stronger faith, friendships and a heart for lost and hurting people. While in Ensenada we partner with Mexico Outreach. They provide the ministry site, all food, daily chapel and the secure area for us to set up our tents.

We will have weekly prep meetings Sundays, 12:30 - 3pm on April 30, May 7, 21, 28, June 4, 11.

Our first meeting on April 30 is mandatory

These meetings are essential to making the mission trip a success. Students must commit to attend the majority of the meetings. This is where we prepare all details of the VBS curriculum, crafts, stories, songs and games.

Itinerary: Saturday fly into San Diego and drive to Ensenada. Sun - Thurs lead VBS. Thursday evening return to San Diego.

Thursday and Friday nights stay at a hotel. Friday do touristy stuff. Saturday fly home.

Cost \$1250 includes air, lodging, meals and ground transportation.

Myrtle Beach, South Carolina Trip July 22 - 28, 2017

On the drive to and from Myrtle Beach we sleep at hotels. While in Myrtle Beach we stay at two churches - one for girls and one for guys. The trip is a very relaxed pace, each morning the students will spend some time alone in the scriptures and practice a simple journal technique. In the evenings we will do beach worship, have teaching time and discussions groups.

The afternoons are spent at Myrtle Beach State Park where we have fun in the sun and tan for Jesus.

Cost \$275. Cost for incoming hs freshmen and any student who has not been on a trip with us \$200.

Includes transportation, lodging, breakfast and lunch. Extra money is needed for 9 meals and souvenirs.

Summer Serve August 14 - 17, 2017

We partner with local urban churches and provide a high energy VBS program. The churches we partner with in the city absolutely love and appreciate our high school student and how they serve the children. Arrive at FLC on Monday 7pm and head home Thursday 10pm. Each evening we will visit a different area in Detroit and grab a dinner together. We will sleepover at FLC.

Cost \$75 includes lodging, transportation, breakfast and lunch each day. Bring extra \$ for dinners out.
