Participation in this highly selective ensemble requires an advanced understanding of music notation producing sight-singing skill and ability to sing in tune with healthy vocal technique.

CONCERT CHORALE

The Concert Chorale is DCC's auditioned mixed choir, open to changed and unchanged voices from age 8 to 18.

Participation in this intermediate ensemble requires a basic understanding of music notation producing sight-singing skill and ability to sing in tune with healthy vocal technique. Goals of DCC's Concert Chorale include artistic excellence, unified diversity, and independent musicianship.

After September 3, students can sign up for an appointment to audition. Visit our website for details.
