best prac-tice

noun

plural noun: **best practices**

- 1 commercial or professional procedures that are accepted or prescribed as being correct or most effective.

12 Student Best Practices:

1. Create a digital calendar or keep a planner
2. Input all important dates
3. Check your calendar daily or twice a day
4. Check e-mail every morning
5. Create a task list on phone or in your planner for each day
6. Cross off tasks as accomplished
7. Return texts and calls and e-mails as soon as possible
8. If you do not have the information needed send a text to say, you will reply soon.
9. Work on each class every week day. If you do not have homework, study.
10. Do homework on weekends as needed.
11. Review notes after class and type or rewrite if you cannot read handwriting.
12. Discuss what you are learning often.

Watch your emails for details on how to register for events.
