FB Page: Ellis House 313

Ellis's House is a Christ centered 501(c)3 nonprofit serving homeless, runaway and girls involved in human trafficking, in the city of Detroit. We provide safe shelter, educational support, counseling and medical services. Ellis's House also provides a two year plan that provides family problem solving, crisis management, and continued counseling and medical services, with family reunification as our primary goal.

Ellis's House was founded in 2017 by Detroit native, Deb Ellinger. Working with run-a-way teen girls, a need for a youth shelter became clear. Running away, homelessness, and poverty are leading causes to human trafficking.

Please consider donating, along with a note of encouragement that includes a Bible
